This is a 13-week interactive art and literacy class designed for toddlers (ages 2–5) and their parents. Each week, children explore two letters of the alphabet through handprint art. Additional activities will include storytime, music and movement, or letter-themed snacks that complement the weekly project. Participants will create an ABC Handprint Book to take home at the end of the session. This class encourages early literacy, sensory play, creativity, and bonding time between parent and child.

The PARK scholarship is available to the City of Fort Lauderdale residents. Applicants must bring proof of City residency AND prior year income tax information OR City residency and two of the following: proof of unemployment benefits, Social Security Income, Supplemental Security Income, proof of Medicaid or food stamps qualification, or USDA Tenant Certification.
